# STT 2026

A Peak into Last Year's Event

## Film Summary

After living his first 21 years of life waiting for greatness, and now a completely mediocre college student with no money, no dreams, and no motivation, Kevin learns of a business that allows people to sell their lifespan for cash run by a Vietnamese Man who calls himself the Than Trung. On a particularly unlucky night, he comes face to face with a stranger who claims she's sold her last remaining years, leaving her with one month left to live. Desperate for meaning, he decides to help her complete her final bucket list, all while coming to terms with the way he's lived his life thus far.

# Games + Prizes

Our event also includes games that involve audience participation. Games usually consist of scavenger hunts that involve finding fellow audience members that have certain characteristics to the given category.

Winners are given prizes which are a big factor in our event. Prizes can either be won through a lottery system or through games.

# SPILL THE TEA 2026

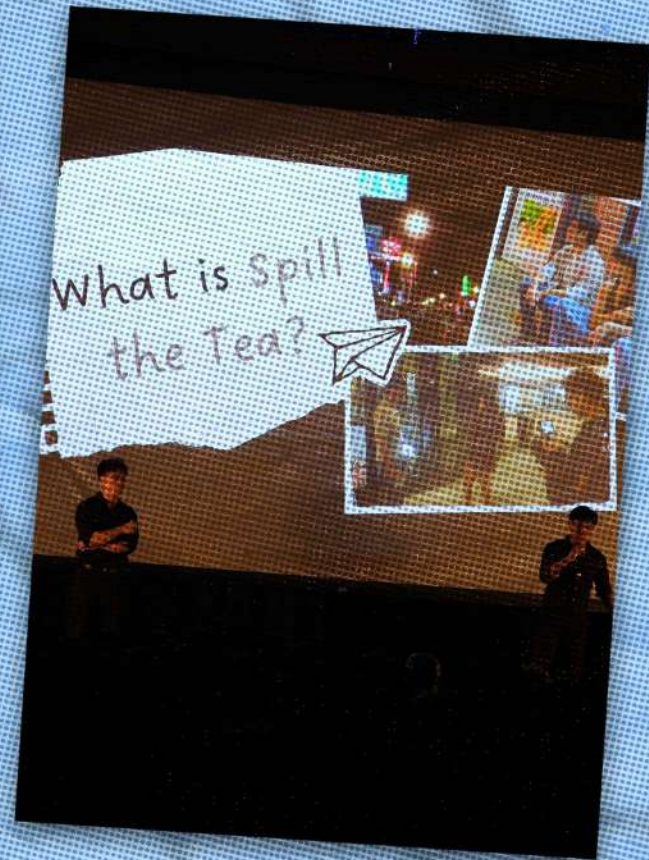

## *This Year's Event!*

Spill The Tea will be ran similarly to how it was ran in 2025. It will continue to follow the same format of an introduction, followed by the film itself, along with frequent breaks for games and giveaways will continue to happen as we will find ways to include them into our event and give our audience the opportunity to walk away from the event with something memorable they can keep.

We are excited to announce that we will continue hosting this annual event and we look forward to all the audience support. We appreciate all the hard work and effort our Film Committee and Visual Media Coordinators have put into this event as well as the immense support from our audience members.

Spill The Tea will continue to explore themes of Asian American experiences through a Vietnamese lens.
